## ABOUT SOCIETY

**Phadtare Knowledge City**, located at Kalamb, Walchandnagar, Taluka Indapur, District Pune – 413114, is a comprehensive educational campus dedicated to providing quality education across multiple disciplines. The campus has been developed with the vision of nurturing academic excellence, professional competence, and ethical values among students from school level to higher professional education. **Phadtare Knowledge City** houses a wide range of institutions that cater to diverse educational needs. **Maharashtra Institute of Management** offers professional programs such as MBA, MCA, BCA, & Research Centre, focusing on developing managerial skills, technological expertise, and industry-ready professionals. **Babasaheb Phadtare Engineering & Technology** provides Diploma and Degree programs, emphasizing technical education, innovation, and practical learning. The campus also includes **Late Laxmibai Phadtare College of Pharmacy**, which offers D. Pharm, B. Pharm, and M. Pharm programs, aiming to produce skilled and knowledgeable pharmacy professionals. For school-level education, **Shree Vyankateshwara English Medium School** offers quality education from 1st to 10th standard, building a strong academic and moral foundation for young learners.

Skill-based and vocational education is supported through the **Industrial Training Institute (ITI)**, which equips students with hands-on technical skills aligned with industry requirements. **Late Sahebrao Phadtare Junior College of Science** provides 11<sup>th</sup> and 12<sup>th</sup> standard science education, preparing students for higher studies in science, engineering, and medical fields. Healthcare education is strengthened by **Ushadevi Phadtare Nursing College**, offering the GNM program, contributing to the development of trained and compassionate nursing professionals. In addition, **Bansal Academy** supports competitive exam preparation, while the Online Exam Centre facilitates modern, technology-driven examination processes.

Overall, Phadtare Knowledge City stands as a holistic educational hub that integrates school education, higher education, professional training, and skill development within a single campus, contributing significantly to the educational growth of rural and semi-urban Maharashtra.

## SCOPE OF CONFERENCE

**The International Summit on Future-Ready Pharmacy, Engineering, and Management Science** is envisioned as a multidisciplinary global platform that brings together academicians, researchers, industry professionals, policymakers, and students to deliberate on emerging trends, innovations, and challenges shaping the future of professional education and practice. The scope of the conference is broad and integrative, reflecting the interconnected nature of pharmacy, engineering, and management sciences in addressing global societal and industrial needs. The conference aims to explore future-ready strategies, technologies, and skill sets required to meet the demands of rapidly evolving healthcare systems, industrial transformations, and business ecosystems. By fostering interdisciplinary dialogue, the summit seeks to promote collaborative research, knowledge exchange, and innovation-driven solutions that contribute to sustainable development and global competitiveness. In the Pharmacy domain, the conference will cover advancements in pharmaceutical sciences, drug discovery and development, clinical research, regulatory affairs, pharmacovigilance, biotechnology, nanotechnology, digital health, and patient-centric healthcare models. Emphasis will be placed on innovation, quality assurance, regulatory compliance, and ethical practices within the pharmaceutical sector.

The Engineering track will focus on emerging technologies such as artificial intelligence, machine learning, data science, automation, robotics, renewable energy, smart manufacturing, sustainable engineering practices, and Industry 4.0 concepts. The scope includes research that bridges theory and practice, highlighting solutions to real-world engineering challenges and societal needs. In the field of Management Science, the conference will address contemporary issues in business and organizational management, including strategic management, entrepreneurship, innovation management, financial analytics, supply chain management, human resource development, digital transformation, marketing in the digital era, and leadership for sustainable growth. As a multidisciplinary international conference, the summit also encourages cross-domain themes, such as technology-driven healthcare management, engineering solutions for pharmaceutical industries, innovation ecosystems, sustainability, ethics, policy frameworks, and global best practices.

The event provides opportunities for paper presentations, keynote lectures, panel discussions, and networking sessions, enabling participants to gain global perspectives and establish strong academic–industry linkages. Organized by Phadtare Knowledge City, Kalamb Walchandnagar, Tal. Indapur, Dist. Pune, the conference aspires to contribute meaningfully to research advancement, capacity building, and future-oriented education, while strengthening national and international collaborations across pharmacy, engineering, and management sciences.

## REGISTRATION DETAILS

The conference is mainly for the all scholars with faculty, PG & Ph. D from various institutes, research laboratories and industry. The registration fees are:
