## From The Desk of President, Secretary & Principal :

**Shri. Uttam Sahebrao Phadtare**

President

Dnyan, Kala, Krida & Krishi Pratishthan

Education enables a person to face new challenges, achieve progresses and lead a successful life. I, therefore, would like to encourage all students to acquire right education through right educational institution. I appreciate both the parents and the students for having made a right choice of choosing Phadtare Knowledge City. Education at Late Laxmibai Phadtare College of pharmacy is neither just about academic brilliance nor a consistent return, but an ambience where culture and human skills meet together. Keeping abreast of this contemporary world of cut throat competitions, we the Late Laxmibai Phadtare College of pharmacy team, aim at creating an inter-disciplinary and a holistic academic environment that enable students to gain knowledge without stress. I do strongly believe in my spirited staff members' capacity to build up the college as one among the leading colleges in the region. I am delighted to welcome all the students to this world of Education and my best wishes for them to unlock and realize their potential.

**Shri. Dattatray Sahebrao Phadtare**

Secretary

Dnyan, Kala, Krida & Krishi Pratishthan

Dnyan, Kala, Krida & Krishi Pratishthan which is built on the strong foundations of discipline, integrity and commitment to delivering quality education to students. The secret of successful people is that the habit of doing things with enthusiasm. Excellence then is the result of repeated conscious efforts until it becomes a habit.

The Late Laxmibai Phadtare College of pharmacy is committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We strongly support interdisciplinary research and development for the benefit of Society. The college has planned produce pharmacists of repute who have achieved glory to this Nobel task either through employment with reputed companies or through their own business ventures.

I welcome all the students joining us at Late Laxmibai Phadtare College of pharmacy to become a part of Phadtare knowledge city and ready to rewarding experience for the rest of their lives.

**Dr. Pravin S. Uttekar** M.Pharm, Ph.D

Principal

Late Laxmibai Phadtare College of Pharmacy

- The students should not involve in any such activity which may cause damage to the college reputation as well as property.

## Activities :

### Industry Institute Interaction :

The constant interactions with these industries pay rich dividends to our student. More over frequent industry visits, guest lectures by experts from these industries give the budding pharmacist much needed wide exposure and knowledge of recent developments in the pharmacy profession.

### Training and Placement Cell / Campus Recruitment Activities :

“Galore of opportunities for those who deserve”  
The Training and Placement Cell is an integral part of any institute in today's competitive world. The globalization of pharmaceutical industry in turn demand for highly competent professionals. In fact, Training & Placement activities are organized throughout the year with a view to prepare the prospective learners for the campus selection programs. Various reputed industries across the country visit this college regularly for campus recruitment programs. The cell also plays a vital role in bringing the students and industrial community together for a mutually satisfying employment relationship. The cell plays a crucial role in counselling and guiding the learners of the institute for their successful career placement which is an important interface between the stages of completion of academic program of the students and their entry into the suitable employment.

### Seminars / Symposia / Conference Workshops :

The college regularly organises various symposia for our students. Further guest lectures, seminar and workshop on personality development, soft skills, interview techniques, career guidance etc., are periodically organized for all round development of our students. The Faculty are also encouraged and supported to participate in various national and international conferences.

### Research & Development

The faculty and students are actively involved in various research activities. Students are encouraged to participate in national and international conference for presentation of their research work.

### Sports Activities and Tournaments :

The college organise various sports events annually at interdisciplinary and intercollegiate levels to promote sportsmanship, team spirit, co-ordination skills etc. amongst the students. Prizes and certificates are given to acknowledge the talents of the students.

### Special Coaching for Students Appearing for GPAT & Other Competitive Examinations :

The college organises special coaching by senior teachers and external experts for the students appearing for competitive examinations like GRE & GPAT.

## Our Other Activities :

### Tree Plantation Programme

A tree plantation drive was held in the college premises on 5<sup>th</sup> June, 2021. The dual objectives of this drive were to enhance the tree cover on the campus and to sensitize the students towards importance of trees.

In all 20 trees, were planted on the occasion Of World Environment Day. The trees that were planted were Gulmohar (*Delonik Regia*), Jacaranda (*Jacaranda Mimosifolia*), Kanak Champ (*PterospermuAcerifolium*) and some flowering plants.

### Blood Donation Camp

Phadtare Knowledge Kity, Kalamb-Walchandnagar, organized a Blood Donation Camp on the occasion of Death anniversary of Late Babasaheb Phadtare . About 134 students and staff had volunteered for donation blood. At about 10 a.m., a team of Muktai Blood Denter from Indapur arrived in the Campus. The Camp had been organized in the collage laboratory. After the preliminary check-up of the blood donors, they were instructed to lie down on individual beds. The first to donate blood were the members of the Staff. Soon, the students started donating blood.

The staff members were personally assisting the team of technicians. All looked excited about it. After blood donation, each student was given refreshments in the form of milk Banana's etc. When asked what the students felt after donating blood, they exploded the myth that one felt weakness thereafter. At the end of the function, each blood donor was given a certificate and T-shirt.

### Celebrating Teacher's Day

Teacher's Day is celebrated on 5th September every year on the occasion of the birth anniversary of India's second President, Dr. Sarvepalli Radhakrishnan; Dr. Sarvepalli Radhakrishnan was of the opinion that “teachers should be the best minds in the country”. On every September 5, Teacher's Day is celebrated all over India as an occasion to appreciate and acknowledge the efforts and hard work of our teachers in making us sophisticated and responsible individuals.

Phadtare knowledge city, Walchandnagar kalamb, celebrate Teachers' Day on 6<sup>th</sup> Sept 2021.

Phadtare knowledge city hosted a felicitation ceremony on Teachers' Day and gave away Teachers' Excellence Awards Throughout the best teachers of whole campus. HOD of pharmacy Department Prof. Shivpuje S.S. got the award and other teachers from their department all won the award there are more than 50 teaching and non-teaching staff got award from all campus programmes started on schedule by 1.00 P.M. after the invocation and prayer we had extempore speech. Our culture club secretary welcomed and garlanded the guests. A high tea was arranged for the guests. There were speeches by some of our esteemed dignitaries on the role of teachers in moulding the society and the ways to improve the present educational system. The programme ended with sweet distribution after the vote of thanks by Thombare sir.

## Induction Programme :

Induction basically refers to the elucidation of the whole procedures whereby the pupil adjusts to or attune to their new roles and environment. Thus in other words it can be assumed as a well-designed and planned series of events to instruct the new entrants about the institution's environment, and build a link with the people associated with the institute.

The target of the Student Induction Program is to aid new students acclimatize and feel comfortable in the new environment, instil in them the spirit and lifestyle of the institution, help them build bonds with other students and faculty members, and show them a sense of larger purpose and self-exploration.

## Student Development Programme (Motivational Speech)

Late Laxmibai Phadtare college of Pharmacy conducted a student development program titled "Student Motivation" on 17th February (Wednesday), 2021 in Main Auditorium Hall from 2 pm-3pm.

The speaker of this program was Dr. Arun Ingale who is presently working as a member of SPPU Sansdhan vikas abhyas mandal.

The presenter who is a source of motivation to students gave encouraging examples from his own life and inspired students to be a self-motivator. he discussed the importance of positive thinking and attitude which brings optimism into life and such constructive changes can make one brighter and more successful. This program helped students to be guided by a positive mind and driven by self-motivation.

## Celebrating "International Yoga Day"

On 21st June 2018 "International Yoga day" was celebrated in our college at 11 o Clock. All the students of Diploma and Degree had participated in the 'International Yoga day'. There are 128 Participated in 'Yoga day'.

Our cultural head Mrs. Sayali Khadake told the information of about 'Yoga day' and Importance of Yoga in our day-to-day life. The trainer Dr. Payal Chawat had given us her valuable guidance to the students. The exercises are good and useful to the students. All the students were excited and energetic. Some of our teachers and students had shown us Yoga by following the instruction given by the trainer. We all celebrate the day with a lot of eagerness and joy.

## Celebrating "Womens Day"

8th March, considered as International Women's Day. This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honour, loved and admired. To honor womanhood, Phadtare knowdge city has celebrated the International Women's Day on Tuesday, 8th March, 2021 in the campus.. For the event, chief guest was Dr. Anuradha kandalkar, Dr. Shaila Phadtare, the director of PKC guest of honor were mrs. Sangita Phadtare and Prof. Manali Nimbalkar from Late Babasaheb Phadtare Polytechnic College., to make the event livelier. During the event Miss M. Akhade addressed that their should be a balance between career and family and without a family support a women can't achieve success, also addressed that girls should know their right to defend themselves and be careful against crimes against women.
